HUH?
However, the Octarian Army... they have it.
Octarian Army?
AGAIN!?
It's here
Oh yeah, the electricity!

Yes, with the help of Agent 3 got The Great Zapfish back last time.
But DJ Octavio escaped...
and stole it again.

Could you retrieve The Great Zapfish once more?
Please!
I'll finally be able to fix my hair!
SURE!
Alright! In that case, the two of you...
are Squidbeak member, Agent 3!
...protecting the world from the Octarians...
And the NEW Agent 4!
But the clothes are hand-me-downs from Callie and I.

The bread's punches are fast!

I'm hungry. I want to eat some rice.

It see's rice as it's rival!
The bread's mad!

With all of us searching, we might be able to find her!
Then let's go looking for Callie, too!

Agent 4...
Agent 3...

...ck...
I don't think that's quite it.
Since she's an idol, she should be somewhere that's more sparkly.
